

ANNABELLA

MARCH 2021

VOLUME 24 ISSUE 3

Pressurized Irrigation

Pressurized Irrigation is scheduled to go on-line

Monday, April 5th,
weather permitting.

Please check your irrigation valve prior to April 5th to make sure it is in the OFF position until the system is fully pressurized.

Looking ahead: The **Town Clean Up dumpster** is scheduled to be in Town Friday April 23rd through Sunday, May 2nd (two full weekends!) The dumpster will be placed at the Town Shop (300 S 50 W).

Dog Licenses Due

Thank you to the many residents who attended the dog clinic and who have licensed their dogs.

Dog licensing is important because it helps to ensure that the dogs in Town are properly vaccinated. Licensed dogs also have a better chance of being returned to their owner if lost.

Please note that a \$25 fine (per dog) will be added to each dog licensed after March 1st.

Office Hours Monday-Friday

We Need Your **INPUT**

The Annabella Planning Commission would like the wonderful people of Annabella to join us in rewriting our General Plan. The General Plan is a compass for the community. It indicates the course a community has chosen and is a navigational tool. What makes Annabella the place we choose to live? Why do our children want to return to raise their children here? What are the treasured characteristics of Annabella that we want to maintain for generations to come? How do we accommodate growth? Your input is valuable and appreciated!

There are multiple ways to take the survey:

- Website: <https://sixcounty.typeform.com/to/aVRQumf2> OR
- A message will be sent through Annalert with the link during the first week in March

OR

- Scan this QR code ➡

(Survey closes March 31st)

The following issues were discussed during the February Town Council meeting. Town residents with questions, concerns, or those wishing to obtain additional information are encouraged to phone the Town office or contact a member of the Town Council.

The Town Council:

- Discussed placement of the ATV trails and map kiosk. OHV grant options for outside restrooms at the Old Town Hall were also discussed.
- Formally appointed John Chartier (Chairman), Nate Selin and Wade Ingram to serve another term on the Planning Commission.
- The Town Council voted to adopt the Six County pre-disaster hazard mitigation plan which qualifies the Town for various funding options

Thank you

to Broox Anderson for designing the Town logo for our updated website.

It looks great!

Easter Egg Hunt

Great News!

Plans for an Easter Egg Hunt at the Community Center are in motion. All of the details aren't sorted out yet, but we are planning on

**Wednesday,
March 31st!**

*Watch for more info to be posted
as it gets closer.*

Website Update

We are excited to show you our new and improved website! It should be up and running this month. The improved website will have easier navigation and be user friendly. We will be adding additional maps and features to the website after the initial launch so be sure to check back often! The website is still
