SECTION 12. CONSTITUTIONAL TAKING REVIEW AND APPEAL

In order to promote the protection of private property rights and to prevent the physical taking or exaction of private property without just compensation, the Town Council and

all commissions and boards shall adhere to the following before authorizing the seizure or exaction of property.

12-100 TAKINGS REVIEW PROCEDURE: Prior to any proposed action to exact or seize property by the Town Council or any commission or board, the town attorney shall review the proposed action to determine if a constitutional taking requiring “just compensation” would occur. The town attorney shall review all such matters pursuant to the guidelines established herein. Upon identifying a possible constitutional taking, the town attorney shall, in a confidential protected writing, inform the Town Council, commission or board of the possible consequences of its action. This opinion shall be advisory only and no liability shall be attributed to the Town for failure to follow the recommendation of the town attorney.

12-101. TAKINGS GUIDELINES: The Town attorney shall review whether the action constitutes a constitutional taking under the Fifth or Fourteenth Amendments to the Constitution. The town attorney shall determine whether the proposed action bears an essential nexus to a legitimate governmental interest and whether the action is roughly proportionate and reasonably related to the legitimate governmental interest. The town attorney shall also determine whether the action deprives the private property owner of all reasonable use of the property. The guidelines are advisory only and shall not expand nor limit the scope of the Town’s liability for a Constitutional taking.

12-102. APPEAL: Any owner of private property who believes that his/her property is proposed to be “taken” by an otherwise final action of the Town, may appeal the Town’s decision to the Takings Appeal Board within thirty (30) days after the decision is made. The appeal must be filed in writing with the Town Clerk. The Takings Appeal Board shall hear and approve the remand or reject the appeal within fourteen (14) days after the appeal is filed. The Takings Appeal Board, with the advice from the town attorney, shall review the appeal pursuant to the guidelines contained in subsection 12-101 herein. The decision of the Takings Appeal Board shall be in writing and a copy shall be given to the appellant and to the Town Council, commission, or board that took the initial action. The Takings Appeal Board’s rejection of an appeal shall constitute final town action.

12-103. TAKINGS APPEAL BOARD: The Board of Adjustments will serve as the Takings Appeal Board.
