

ANNAGRAM

August 2021

Volume 24 Issue 8

Thank you for your care and patience during the recent street improvement project.

The project was funded through the Community Impact Board (a funding package of \$933,333 grant and \$400,000 loan). The 10 year loan will be repaid at 0.5% interest using revenue received from B&C road funds. The Town Council is very appreciative of the funding received and to have a payment small enough to be repaid with revenue already in the budget.
