During the April Town Council meeting,

THE TOWN COUNCIL...

- ◆ Adopted International Building Codes as required by the Sevier County Building Department. Copies of the codes are on file with the Sevier County Clerk.
- ◆ Adopted the updated cemetery policy and fees. A copy is available online.
- ◆ Discussed state regulations for water use and agreed on submitting an application to the Utah Board of Water Resources for a secondary meter grant. As per HB 0242, secondary water suppliers must be in full compliance with secondary metering by January 1, 2030 (after 2023, grant money for secondary water metering begins to decrease significantly each calendar year).
Town residents with questions, concerns, or wishing to obtain additional information are encouraged to contact a member of the Town Council.

All residents are encouraged & welcome to attend Town Council meetings.

♥ Thank You ♥

Thank you to Angie Blackburn (& her family) for the work she put into the annual Easter Egg Hunt at the Community Center!

Also, thank you to everyone who participated in the Town Clean Up on April 20th. There was a wonderful turnout & it really made a positive difference!

SW Rate Increase

Sevier County will have increased the landfill charge from \$5.50 to **\$7.00 per month**. This is shown as SW (Solid Waste) on your bill. This is a landfill charge that homes within Town boundaries are billed, through Annabella, for the county (unincorporated areas are billed on their annual property tax). Sevier County Commissioners explain that increases to landfill fees have not been made in 20 years and are required for the long term viability of the landfill.

Summer Meal Program

The Sevier School District qualifies for the 2022 Summer Feeding Program. The program offers free lunches for all children under 18 years of age. The meal service will be at the Annabella Town Pavilion (located near the old Town Hall, 90 North Main Street). Meals will be served from
