### Utah League of Cities & Towns Essay Contest

Congratulations to Jett Mitchell for taking 2nd place in the ULCT's "Why I like my Community" essay contest. The contest was open to all 4th graders in Utah. The Utah League of Cities & Town's awarded Jett with a certificate, a backpack full of goodies, and \$300! Monroe Elementary School also received \$750! Jett's essay focused on the people of Annabella, helpfulness, living near the mountains, great water, fun activities & seeming to drop the "a" sound at the end of Annabella once you are a local!

Mayor Brent Christensen presented the award to Jett at a school awards assembly. Award winners will be featured in a video highlighting their writing and their community at the ULCT's Annual Convention for Utah's municipal leaders.
